

2017-18 Senior Salute Order Form

What is a "Senior Salute"? A Senior Salute is a personal message from family and/or friends to acknowledge their high school student that is now grown into a young adult. This is a chance to give lasting advice and a sentimental note before they are released into the real world.

To reserve space all we need is half the cost as a deposit. There is not enough space for every senior to have one, so those who reserve their space first get priority. We need ½ deposits no later than **December 20, 2017**. The remaining balance and content submitted for the salute will be due **February 17, 2018**.

The LOMIKA staff is now offering a new never before seen option to add on to your Senior Salute. Now it is possible to add on a video to your Senior Salute with the Aurasma APP for \$30.00. For more information contact Michael Pickman at pickmanm@usd416.org or you can our sample on youtube.com with this link:
